

Diego Del Bel Belluz

Country CFO of Novartis South Africa

Nationality: Italian

Diego has been Country Chief Financial Officer of Novartis South Africa since November 2018.

He previously was Head of Business Planning and Analysis for Novartis Africa Cluster. He has also served as Head of BPA for Novartis indirect Central European countries and Senior BPA Pharma for Novartis Italy CPO. Before joining Novartis in 2012, he worked at Procter & Gamble, at McDonald's and funded an advertising startup.

Diego received his Business Administration degree from Bocconi University in Milan, Italy, and a Master's degree in Corporate Finance from Bocconi University and University of Wisconsin, School of Business in the US. He is passionate about culture, people, music, travelling, history and food. He has been supporting different charitable institutions throughout the years with a particular focus on children and developing countries.
